

# Child Safety

-play your part-

We are committed to promoting and protecting children and young people from all forms of abuse, racism, neglect and maltreatment.

It is the responsibility of every person, at every level of involvement to understand the important and specific role they play to ensure that the safety of all children and young people is at the forefront of all they do and every decision they make.

We have zero tolerance for child abuse and racism. We strive to empower children and young people through listening to their concerns and valuing their contributions, especially enabling Aboriginal and Torres Strait Islander children to express their culture and enjoy their cultural rights.

If you have a reasonable belief that a child or young person is not safe,  
**REPORT IT!**

**If a child or  
young  
person is in  
immediate  
danger call  
'000'**
