11.3.2 Netball Clearances: It should be noted that the intention of this by law on Netball clearances is not to restrict player transfer, but to enable clubs to keep records of player activity in and out of their club.

a) For any player wanting to leave a club and join another club within the Outer East during the season, or from any of the past 3 seasons to the current season, they must complete a clearance form and submit to the Netball Operations Coordinator. No player will be granted more than one (1) clearance per season, unless approved by Outer East FN.

b) Clearances shall open on the 1st of February in the season of play and close at Midnight June 30th each year. Additions to the playing list, apart from those being cleared from another Outer East Club, can be made at any time of the season.

c) No player shall be denied a clearance unless they are in possession of a club uniform or in some way owe the clearing club money. If requested to do so by the Outer East FN, the clearing club must provide proof as to why a clearance has been denied. Clearing clubs must respond to the clearance request within five working days of it being placed.

d) Any dispute concerning clearance shall be dealt with by the Outer East Board or the designated official whose decision shall be final. A player must be registered with the new Club before taking the court.

e) In the event of a club playing players registered with an Outer East FN club other than their own, a fifty-dollar (\$50) penalty will be issued, and the offending club may lose four (4) Premiership points for any game in which the uncleared players participate.

f) Best & Fairest votes will transfer with the player should they be cleared to another club within AFL Outer East. The number of quarters/games played & Goals scored will not transfer with the player when they begin with the new club.

g) Players who have not played in Outer East FN in the past 3 seasons will be free to register with any Outer East FN club and will not require a clearance.

11.3.3 Clearances shall be processed in an expeditious manner wherever possible.

11.3.4 Failure to comply with By Law Eight (11.3) will constitute a breach of the By Laws and will be subject to a Loss of match points &/or a fine according to the fines schedule or such other penalty as determined by the commission.
