Memo

To:	Outer East Football & Netball Clubs & YRUA
Date:	December 8, 2023
Subject:	Broadford FNC
From:	Outer East Football & Netball Team

Dear OEFN Clubs & the YRUA,

Today we have been officially advised that the Broadford FNC will not compete in Outer East Football Netball competitions in 2024

Outer East Football Netball Competitions Ltd would like to thank Broadford FNC for their transparency in this process and wish them well for their immediate and long-term future.

We fully understand the reasoning behind the difficult decision and remain steadfast in assisting, where we can, to find Broadford FNC a permanent home in the future for their football & netball teams.

Broadford FNC was a respected member of Outer East Football Netball during their time and while the club faced its challenges it always did so with an openness and honesty which was refreshing.

Division 1 will now revert to a (9) team competition in 2024.

Regards,

Brett Connell
Chief Executive Officer
Outer East Football & Netball
