AFL VICTORIA

COACH DEVELOPER

1 WHAT

AFL Victoria Coach Developers are located across the state to deliver Coach Education in Leagues, Regions & Clubs.

2 WHO

The Coach Developers have a vast range of coaching experience at all levels of the game and also in other sports. They are great coaches and educators who will support all Victorian Coaches.

3 WHY

The Coach Developer network is designed to support Community Coaches through their development which will provide great coaching experiences within the community for all participants.

4 HOW

There are many ways to access a Coach Developer at your club. You can contact your League/Region Manager, or contact AFL Victoria through the link in the QR Code below.

5 REGISTER

Follow the QR code below to register your interest for the use of a Coach Developer at your club.
