2024 Outer East Football Netball Community Cup Day

Healesville Greyhound Association offers the only straight track in Victoria, located behind the Sporting complex on Don Road among the picturesque hills of the Yarra Valley and is famed for its family-friendly picnic atmosphere. The club holds over 120 meetings annually on Fridays and Sundays including the Healesville Cup in September.

The Healesville Greyhound Association is committed to managing its operations with the community in mind and organises and hosts many events to support good causes and give local groups and residents opportunities to meet, raise funds and enjoy themselves.

The Club will be adapting Community Involvement on the day of one of our most prolific racing events, The Emerald on our calendar, **The 2024 Outer East Football Netball Competitions Cup and The 2024 Outer East Football Netball Competitions Consolation Cup.**

The Healesville community cup will provide community groups the opportunity to fundraise through a high-profile race day at Healesville Greyhound Association on March 17<sup>th</sup>, 2024.

This is the first year of what we believe will become a high-profile annual event supporting various community groups here in the outer east and the broader Yarra Valley community.
