NETBALL MATCHDAY CHECKLIST & GUIDELINES

Prior to the first game being played at any venue, a Netball Matchday checklist must be completed.

This is an insurance requirement, to be sued as supporting documentation in the case of any injury occurring either on or off the court.

This Checklist can be downloaded from the Outer East website under Resources.

A screenshot of the 'NETBALL MATCHDAY CHECKLIST & GUIDELINES' form. The form is titled with the Outer East logo and the title. It is divided into four sections: 'GAME DAY DETAILS', 'WEATHER CONDITIONS', 'PLAYING AREA', and 'RUN OFF AND PERIMETER AREAS'. Each section contains several questions with 'yes' and 'no' checkboxes. The 'GAME DAY DETAILS' section has input boxes for DATE, TIME, and VENUE. The 'WEATHER CONDITIONS' section has one question about weather acceptability. The 'PLAYING AREA' section has five questions about surface conditions, fittings, goal posts, and lighting. The 'RUN OFF AND PERIMETER AREAS' section has two questions about run-off areas and obstructions. A note at the bottom of the form states: 'Note: if there is not 3.05m run off around the court, please outline any risk management strategies under Risk Management Actions'.

NETBALL UMPIRE VOTE CARDS

Each club is supplied with Best & Fairest vote cards. This is for the competition Best & Fairest award in each grade.

These votes are completed by the two umpires at the conclusion of the match.

For integrity purposes each card should be sealed individually in an envelope and the seal of that envelope initialed by both umpires.

The card is then submitted with the rest of the matchday paperwork,

This is not the umpire's votes; rather it is to be completed by each coach/scorer/team manager at the completion, as it is information that is used by the League in match reviews online. This isn't required to be filled in if you are using a OEFN Scorecard as there is already provision on the scorecard.

Only use the best players section on this form when using the downloaded PlayHQ Scoresheet.
